

KENORA DISTRICT SERVICES BOARD

PUBLIC NOTICE

The Kenora District Services Board wishes to advise the Public that remedial work to the exterior of Parkview Apartments at 630 Park Street will take place over the next few weeks.

The remedial work is required as part of the Board's plan to undertake a major retro-fit to the complex in 2006. The current plans for the retro-fit call for upgrades to the exterior cladding and insulation, ventilation system and window replacement.

The area around the complex has been fenced off and protective canopies have been erected at the entrances/exits to the building. Members of the Public are required to remain outside of the fenced areas for their protection.

Once the Board has approved the final plans for the complex further information will be released to the Public.

The Board wishes to thank the Public for its cooperation and we apologize for any inconvenience this may cause.

Sten S. Lif
Chief Administrative Officer
